

WHAT YOU CAN DO TO HELP

All donations to the nonprofit 501(c)(3) Aquarius Aquarium Institute and the Fresno Aquarium project are fully tax-deductible as allowed by law.

Your support is making a real difference in the quality of life for all the people of the San Joaquin Valley. Whether you sign up to be a Volunteer, come to our fun events, become a Charter Member, bequeath securities or real estate or simply make a donation large or small, you can feel good about your support going to a local organization benefitting our own region today and into the future.

Aquarius Aquarium
I N S T I T U T E

Building the world-class educational
Fresno Aquarium for the entire
San Joaquin Valley

OUR MISSION

To Elevate Public Consciousness and
Understanding of Our Aquatic World

Discover Celebrate Grow Share Excite

Phase Two Rendering: Arthur Dyson, AIA

OUR VISION

The Institute owns ten acres of land overlooking the San Joaquin River at the northern entrance to Fresno adjacent to Highway 99. The Fresno Aquarium is being built on this property through the generosity of people like you. It will be an oasis for education and recreation in California's San Joaquin Valley.

We are committed to funding the phases of our Aquarium debt-free entirely through donations both large and small.

The current *From the Ground Up* capital campaign at **FresnoAquarium.org** is raising funds to continue our work to build Phase One.

We invite you to join our vision.

WHO WE ARE

The nonprofit Aquarius Aquarium Institute provides interactive educational outreach programs in our local schools such as:

***Teaching Tidepools*®**

An interactive, hands-on classroom experience featuring our living California tide pool animals.

Ocean Connection: Where the River Flows

A participatory, standards-based watershed/water cycle curriculum.

Ocean Camp

A week of fun, ocean-related activities designed for after-school programs.
