

Put Your Name on
a Block!

Phase One design by: Arthur Dyson, A.I.A.

From the Ground Up Capital Campaign

Your support is urgently needed today to continue the exciting construction activities on our Fresno Aquarium property! You, your family and your company can become part of the physical structure that will house life support systems, lab and grow-out tanks for the entire Phase One Fresno Aquarium. The Aquaculture Building will be a stand-alone, usable Aquarium facility you will enjoy while funds are raised to continue construction of the expansion areas above it.

Please consider putting your name on one or more concrete blocks needed to build the Aquaculture Building today at: \$100 for the regular size (16"x8"x8") and \$200 for the large (16"x16"x8"). All *From the Ground Up* contributors receive:

- Your name or names immediately added to our FresnoAquarium.org Capital Campaign Contributors page,
- Your own *From the Ground Up* certificate commemorating your contribution, and
- Your name or names added to the permanent wall display to be installed at the entrance to the Fresno Aquarium's behind-the-scenes tour with positioning according to giving level.
